

# ROBOT SOLUTION

## Specification

Payload Capacity	Up to 1000 Kg
Communication	Ethernet IP, Modbus, Profinet
Type	Scara Robot, Delta Robot, 6-Axis Robot, Optional 7 <sup>th</sup> Axis
Industry	Automotive, Packaging, Food & Pharma, EV, Semiconductor

## Key Features

- High Precision & Repeatability
- Scalable for Light & heavy Payload
- Easy integration with Vision & PLC
- High Productivity & Low Downtime

## Application

Loading & Unloading

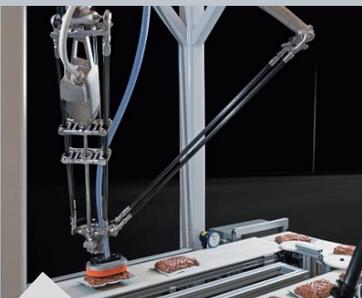

Machine Tending

Palletizing Solution

3D Bin Picking

Pick & Place

Robotic Welding

Case Packer/Erector

Painting Solution
